Guidelines/ Methodology adopted to prepare AIISL for the period 01.01.2014 to 31.03.2015

Subject: Circulation of Draft All India Inter-se Seniority List of Income Tax Officers for the period from 01.01.2014 to 31.03.2015 – reg.

A Draft All India Inter-se Seniority List of Income Tax Officers (ITOs) in respect of officers promoted to the grade of ITO during the period from 01.01.2014 to 31.03.2015, has been prepared and placed on the Departmental website for information and for inviting objections/representations, if any. During this period, there were 4 types of vacancies in the Cadre of ITOs i.e. Regular vacancies for V.Y. 2013-14, Cadre Restructuring Vacancies for V.Y. 2013-14 and chain vacancies arising after DPCs convened for Cadre Restructuring Vacancies as well as Regular vacancies for V.Y. 2014-15. Also, the All India Seniority List has been prepared following this chronological order.

The inter-se seniority of the officers included in the Draft Seniority List has been determined on the basis of the following principles:

(i) General principle

All India Seniority List of ITOs is prepared by collecting the Region-wise Seniority List of ITOs, as received from the respective CCIT(CCAs) of 18 Regions. The General Principle & Guidelines of All India seniority list are as under:

(a) The seniority of officers of different charges will follow the dates of appointment. If a senior officer of a charge has taken over on promotion as ITO, class II from a date later than the date(s) of assumption of charge by some of its junior officers of the same charge, the seniority in the All India list will be determined with reference to the date of promotion of the senior officer alone. It, therefore follows that an officer of another charge who took over charge on a date earlier than the date of taking over charge by the senior officer referred to above, will be shown above him and his junior(s) in the same charge, even if some of the said juniors had taken over charge earlier than the officer of the other charge.

(b) An officer promoted as ITO, class II in one charge but transferred to another charge after promotion will have his position fixed according to his position in the charge in which he was originally promoted.

(c) If officers of different charges have been promoted as Income tax officers, class II w.e.f. the same date, their names will be arranged in the order of their ages i.e. the senior in age will be shown senior. The seniority of officers with the same date of Birth will be fixed with reference to the date of regular appointment to the lower post of Inspector of Income-Tax.

These principles have been adopted for preparation of the Seniority of ITOs promoted earlier and later than promotion made against Cadre Restructuring Vacancies.

(ii) Officers promoted/deemed promoted as ITO on 05.06.2014 against Cadre Restructuring Vacancies (CRV) for V.Y. 2013-14

The position in respect of promotions arising from Cadre Restructuring, 2014, is distinct, as in those cases a uniform date of promotion to the grade of ITO was prescribed across all 18 Regions.

Scanned with OKEN Scanner

In terms of the Board's Order dated 27/05/2014, a uniform date of 05.06.2014 was prescribed for the issuance/deemed issuance of promotion orders against the additional non-IRS posts created pursuant to the Cadre Restructuring of the Income Tax Department, approved by the Union Cabinet. Accordingly, a uniform date of 05.06.2014 has been taken as the date of regular promotion to the grade of ITO in respect of officers promoted as a result of Cadre Restructuring Vacancies.

Since all such officers have the common date of promotion/deemed promotion, namely 05.06.2014, the said date by itself cannot determine their relative inter-se seniority at the All India level.

Accordingly, while integrating the regional seniority lists for determining the All India inter-se seniority of officers promoted/deemed promoted as ITO on 05.06.2014, the following principles has been applied and these principles were also followed while preparing the All India Seniority List in the Grade of ITO for V.Y. 2000-01 and 2001-02 after the Cadre Restructuring in the IT Department effected in 2001 in view of letter circulated by CBDT vide F.No. A-23012/7/2007-Ad.VI dated 04.11.2009

(a) Preservation of settled intra-Region seniority

The regional seniority of Income Tax Officers (ITOs) within their respective Regions/Cadres shall remain undisturbed while consolidating the seniority position of officers from all 18 Regions. Where officers promoted against Regular Vacancies and Cadre Restructuring Vacancies are placed in a mixed sequence in their respective regional seniority lists, their inter se seniority in the All-India Seniority List shall be maintained in accordance with their respective regional seniority under the Regular Vacancy and Cadre Restructuring Vacancy categories.

(b) Length of regular service in the feeder grade

The All India Seniority List among the ITOs of the different regions/ cadres promoted on 05.06.2014 shall be determined with reference to their length of service in the feeder grade i.e. in the grade of Inspector in their respective regions.

(c) Assignment of deemed date of joining in the feeder grade

As the date of joining as Inspector are not always in the order of Seniority, care has been taken to ensure that the already assigned inter-se- seniority within a particular region is maintained at the All India level too. For this purpose, date of joining as Inspector is substituted with a deemed date of joining, which is the date of joining of the junior most inspector of a particular region, wherever such junior Inspector has joined earlier than his senior.

(d) Inclusion of all relevant officers for seniority mapping

All India Seniority of ITOs of R.Y. 2013-14 promoted on 05.06.2014 against Cadre restructuring vacancies has been proposed to be fixed on the basis of such officer's deemed date of joining as Inspectors. For the purpose of assigning the deemed date of joining in the Cadre of Inspector, the names of All ITOs promoted on the basis of the DPC held or deemed to be have been held on 05.06.2014(whether retired or not) have been included show as ensure that the correct deemed date of joining is given to officers, as it would be the crucial date for determining the All India Seniority in the promoted Cadre i.e. ITO.

(e) Date of Birth as residual tie-breaker

Where, however, the deemed date of joining as Inspector in respect of officers belonging to different charges/ Cadres happens to be same, the officers with earlier date of Birth shall rank higher than those with later dates of Birth in the All India Seniority List.
